We do not have responsibility with copywright of this book.

The Texas Frontier, 1865

The Civil War is over and Texas is reluctantly yielding to the Union soldiers spreading across the state, even into the dangerous Comanche country. David "Rusty" Shannon, proud member of a "ranging company" attempting to protect Texas settlers from Indian depredations, finds that the rangers are being disbanded. He makes his way home to his land on the Red River, hoping to take up the life of a farmer and the hand of the beloved girl he left behind, Geneva Monahan.

But Geneva has married in Rusty's long absence and the country is filled with hostilesâ€”not just Indians, but hate-filled Confederates, overbearing Union soldiers, and army renegades. Rusty's youth as a captive of the Comanches returns to haunt him when, in pursuit of Indian raiders, he takes as prisoner Badger Boy, a white child taken from his murdered parents by a Comanche warrior.
