Kerris Moreton should be the happiest woman in the world: She has a successful business and is about to start the family she's always wanted. But the man of her dreams-the one whose green eyes see straight into her soul and whose gentle hands make her body hum with pleasure-is not hers.

Each secret moment with Walsh Bennett serves to remind Kerris of what she's missing. And every stolen hour makes it harder to see her future without him. But being with Walsh would betray a sacred promise and upend her perfect life. When tragedy strikes, the razor's edge between love and loyalty grows sharper than ever. And Kerris must decide where her heart will fall . . .
