Brashares returns to the beloved characters she brought to life in her first novel, *The Sisterhood of the Traveling Pants*, for a new installment that's equally authentic and engaging.

With a bit of last summer's sand in the pockets, the *Traveling Pants* and the *Sisterhood* that wears them embark on their 16th summer.

**Bridget:** Impulsively sets off for Alabama, wanting to both confront her demons about her family and avoid them all at once.

**Lena:** Spends a blissful week with Kostos, making the unexplainable silence that follows his visit even more painful.

**Carmen:** Is concerned that her mother is making a fool of herself over a man. When she discovers that her mother borrowed the *Pants* to wear on a date, she's certain of it.

**Tibby:** Not about to spend another summer working at Wallman's, she takes a film course only to find it's what happens off-camera that teaches her the most.
